Dear Pastor & Brethren:

Since the first Sunday of this month, we have returned to conventional Service in both Penang Island as well as on mainland Penang. Our attendance was very poor on the first Sunday and just beginning to pick up last Sunday. Many of our visitors have yet to return to our services. Our mainland ministry though home Bible studies are still on going. Most of these people are from Hindu background and we hope their professions of faith are genuine. Some have already turn their backs on us, I am saddened but not surprised. Nevertheless, we were blessed with four professions in a home Bible study 2 weeks ago: Letchimi a 60 year old grandma, her granddaughters: Lavanya (13), Vimiswara (10) & Shuveta (9).

Bro. Win Aung, our member in Yangon has asked for financial help to put roofing on his new building just before the military coup clamp down. Bro. Andrew, who joins our online Bible studies from Yangon has not been heard since he asked for financial help few weeks ago. Our attempt to help him financially to buy food was returned by the bank. There is total silence from all our contacts in Myanmar since shortly after the clampdown. Do pray that these brethren can have food as prices have escalated. Jobs were disrupted and likewise their already meagre pay.

Bro. ThangPhwe, serving the Myanmar Christians in Kuala Lumpur & Selangor, has returned to his job as a wiring linesman recently. My hope to visit with them next week is squashed by the restriction on interstate travels. Please pray this will be open by mid-April. The 13 potential candidates for baptism may be discipled by Bro. ThangPhwe and an outreach nucleus to these Myanmar people be further develop to reach these displaced people.

Our online Bible studies are still on going. Hopefully, our theological students will be well equipped for the ministry.

The Lord has given some precious opportunities to reach people even with these pandemic restrictions. Thankfully by God's grace, we have been able to meet all our commitments to the 30 missionaries we are supporting up till last month despite not assembling together for the many months of the pandemic lock down since our financial year beginning last July. We have one last quarter to go before our new financial year and I am confident by your helping together in prayers we will be able to fulfil that responsibility.

Thank you for the fellowship in the Lord's great commission,

Teryinho & Jessie.
