

Dear Pastor Wee and Church,

Just 2 days ago thieves came into our rented house and took some appliances and my laptop where my documents were onstored. Until now there is no report from the police department. I am sorry that I will be delayed in giving a good report with pictures as I am just using my phone. One of my sent-out missionaries, Pastor Mukendi Jean died because of COVID last month. Prior to his death we still had a good fellowship at Kamirenda, Zambia as we bought a lot for his ministry there. At present, there is a void in the work there in Kamirenda and I am praying that the disciple of Pastor Mukendi, named brother Kunda will take over. We had 3 baptisms last July 18, and we were glad of the coming of Pastor Ricky as he helped me a lot especially in discipleship and in the music ministry. By the grace of God, we started doing bible studies at 15 miles, a village near Lusaka praying that we can start another church there. We already bought 2 lots thereby installment and by the grace of God, it is fully paid as of last month. We added another lot for the possibility of having a parsonage. Please pray that we can fully pay that one asap. The membership of the church is increasing and I am praying that next year I can leave it to Pastor Terence Kombe and we will concentrate our ministry at 15 miles as God leads. We are dependent on what God is leading. He will show the way. The smile for Jesus program continues. I have operated on several cleft lips and palate patients. By the grace of God, we used it as an avenue to share the Gospel. Many souls professed to receive the Lord. Please pray for Deve Mubanga, Fred Mulinga for their desires to serve the Lord full time. They are part of our discipleship and we are praying that we can have good products that will truly serve the Lord. Pray for Missionary Ricky Cuaterno as he is still renewing his visa here. Pray for our health and protection. pray that I can buy a new computer to replace the one that was stolen. I used it for my reports and to project songs and preaching at the church. Thank you for your faithfulness in praying and supporting us.

To God be the glory great things He hath done.

Sincerely,

Pastor and Mrs. Felicidad Felicilda
Missionaries Congo, Zambia
