Joshua 1:9 *Have not I Commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee Whithersoever thou goest.*

July, 2021

Dear. Pastor and Church Family,
Thank you for your partnership in prayer and support.

February and March 2021, seventeen of our Young people had got baptized. And now they still remain faithful to the Lord. They continue with their discipleship lessons, bible classes, and other classes too. Praise the Lord for those that have decided to follow God's example.

All of them got saved in our classes at church.

Through our Young people program ministry, bible classes; and evangelism many more souls have received Christ.

we had a special treat for the top ten of our young people who did well on their discipleship lessons, bible study, and of their fruitful in serving the Lord for our church. They have a great time. They got to play some games together, eating good food; and got to know each other more. It was really an encouragement to them to continue with what they have done for the Lord. Please continue to pray for these young people to remain their love for the Lord.

I was sick really bad by the terrible flu, and after that, I had Covid-19 according to all my symptoms. I was trying to heal myself at home and not go to the doctor. It would cost me a lot if I went there.

Through this sickness, I had the experience of dying while I was still alive. I was in pain and I thought I wouldn't make it through. But by faith and God's grace, after 3 weeks later I got better until now.

Thank you for all your prayers to me. By God's grace and His mercy, I can continue on serving the Lord here in South Africa. God is good.

May 9th, 2021 we had a blessed Mother's day celebrations. I got to encourage the mothers of our church on how special they are as a mother and a woman of God to their children. And our young people and I, we had rendered a special song for them. We also gave gifts away with scripture on them. They were enjoyed and received with their smiles. Please remember these mothers in your prayers. A few of them got sick and oldget, but they still remain faithful walking to church. And their houses are far from the church too. What an example to the young ones.

We had one mother who just attended our church a few weeks ago. I invited her to come. Please pray for her to continue with her journey with the Lord. Her name is Precious. She is one of our young people auntie. And this is what I am trying to work on with the parents of our young people to have good communication with them so that they can come to know Christ. And God has answered my prayer. So far I have a good relationship with their mothers, and by and by, I try to share the gospel and invite them to come to church.

Praise the Lord for what He has done in our ministry here. Praise the Lord for a few guitars that we just got for my music ministry classes.

And please continue to pray for more instruments, because through this ministry more people here got to know Christ and become faithful to God. They are using it for the Lord at church, and it challenges the others as well. What a blessing! Please pray for me to have more wisdom, protection, healthy, and God's leading.

Please pray for my family back home in Cambodia. Pray for my visa renewal to approved and my support to increase.

Thank you for all your prayers and your sacrifice in giving to my ministry here. You are a blessing. I am praying that God continues to bless your family and your church more.
