“...not seeking *mine own profit*, but the *profit of many*, that they may *be saved*.” 1Cor. 10:33b

## MISSION UPDATE

**Pastor Yan T. Wee.**  
Shalom Baptist Church  
121 Dover Road, Singapore

**April – June 2021**

Dear Pastor Wee and praying brethren,

To God be the glory for His mercy and grace in keeping us safe up to this moment. It was a very tough time for us the last 3 months since the government imposed a hard lockdown from the month of April. We are mandated to suspend again our classes due to the rising number of Covid 19 infections in the country. But despite the restrictions, we still manage to gather every Friday for a Bible study in a divided small group session.

In the month of June, we were able to invite the fathers of our Rakhine students and honoured them during the Father’s Day celebration, an event where most of them experience it for the first time & it was our opportunity to share the Word of God. We are praying that we could reach them with the gospel soon at the right time.

Our visa renewal is still pending for lack of personnel and temporary closure of government offices due to the lockdown. We are unsure what would happen until the month of October when our visa will expire.

Thank you once again for holding the rope for us through your prayers. May God continue to bless and use you more for His glory and honor.
